During the first week of school, all students are sent an Initial Course Evaluation via e-mail. The form also allows students the opportunity to bring to our attention anything that is not to their satisfaction should they feel unable to speak to us directly. Solutions to any issues will be provided and all necessary parties will be notified when applicable. Students are also requested to complete an End of Course Evaluation via e-mail at the end of their stay, such that they have the opportunity to provide EC with general feedback before returning to their home country.
