Visit Malta in 2018 and see for yourself why
Valletta was awarded this prestigious award.

A scenic view of a coastal city at dusk, with a large red diagonal graphic element in the top left corner. The city is illuminated by warm lights, and the sky is a mix of blue and purple hues. The water in the foreground is calm, reflecting the city lights.

Our Mission is to provide the perfect environment for our students to learn and practise English while enjoying the climate, traditions and culture of our country.

Serious study and great fun, in other words.

Khristyna Laktionova

IELS School was recommended to me as one of the best English schools in Malta, and indeed it has proved to be the true. The school provides highly skilled teachers and a very nice learning environment. We also had fun during the activities and excursions which are excellent if you want to make new friends and explore Malta.

For these reasons I gladly recommend IELS Malta to future students who may be looking for a professional school and interesting place to learn and improve their English skills.
